Structural Engineer

3+ years' experience

SD Engineers | Central London | Full-time, Hybrid | £40,000 - £45,000

We're an award-winning structural and civil engineering consultancy in central London, and we're seeking a creative, motivated, and personable Structural Project Engineer with a minimum of 3 years of experience to join our dynamic team within our central London location.

This role will suit someone who is comfortable managing their own technical workload, coordinating directly with architects and other consultants, and producing high-quality information. You will take the lead delivering your projects, with close support from the senior technical team.

To Apply

Please send your CV and covering note telling us about you, your skillset, why this role interests you, and what makes you a good fit.

We're not using recruiters for this hire - please apply directly, and we'll read every application.

About SD Engineers

We are a Structural Award-winning practice of imaginative engineers, collaborating with some of the country's most ambitious architects and clients, emerging and established, to deliver the highest quality buildings and infrastructure projects.

As creative problem solvers, we help clients realise their designs by truly understanding the narrative and intent behind each project. Our experience as structural and civil engineers allows us to work at all scales and across all typologies, acting as a proactive and reliable partner throughout the design and build process.

We are committed to delivering efficient, low carbon designs and will actively suggest ways to reduce impact on the environment and undertake carbon counting exercises to justify our approach.

The Ideal Candidate

- Must hold an IStructE accredited degree in structural engineering
- At least 3 years' experience
- Ideally be driven towards achieving chartership status with IStructE or ICE
- Exceptional communication skills and comfortable liaising with architects and other members of the client, design, and construction teams
- Highly organised and reliable team player
- An in-depth understanding of project scope, programme and the importance of delivering work efficiently within agreed timeframes
- Strong self-checking skills with good attention to detail and presentation
- Be passionate about engineering and keen to develop practical construction knowledge through project and site experience
- Proactive, collaborative, and willing to contribute ideas to improve company standards and workflows
- Familiar with supporting the production of fee proposals

- An understanding of the commercial and financial aspects of projects, contract and scope variations
- Experienced in providing support, guidance, and delegating to junior members of the team

Salary, Working Pattern and Location

- £40,000-45,000, depending on experience
- Full-time. Hybrid working with up to two days per week from home
- Office: 4th Floor, 1 Throgmorton Avenue, London EC2N 2JJ – five minutes from Bank and Liverpool Street
